

INDIAN WATER WORKS ASSOCIATION, MUMBAI CENTRE

Webinar on **FLORA AND FAUNA IN & AROUND MUMBAI** 31st July 2021, 4.00 PM

Water is source of life. Habitations, human being as well as plants, birds, animals happened in the vicinity of water, in search of water. Expanding our water sector with surrounding environment unfold many scenarios. On wider environment horizon the flora and fauna around a region is one of the very interesting phenomena to listen and enjoy. IWWA Mumbai Centre is organising a webinar on this spread-out topic, "Flora and Fauna in and around Mumbai". We have invited the veterans on this topic to share their treasure of experience and eye-catching findings.
