

Indian Water Works Association

Mumbai Centre

*** INVITATION ***

IWWA, Mumbai Centre is organizing Lecture Meeting on Subject,

Storm Water Management Concept and Practical Approach

Saturday, 28/08/2021 Time:- 6:00 PM to 7.00 PM

Climactic changes have resulted into heavy floods across globe. Better storm water management is need of the hour. Cloud bursts and disasters have frequently occurred in last decade. Management of storm water calls for fresh look at study of rainfall patterns, storm assessment, drain designs, provision of storm water pumping stations etc. Members are invited to join lecture meeting arranged on this vital issue.
